

The Order of Robin Hood

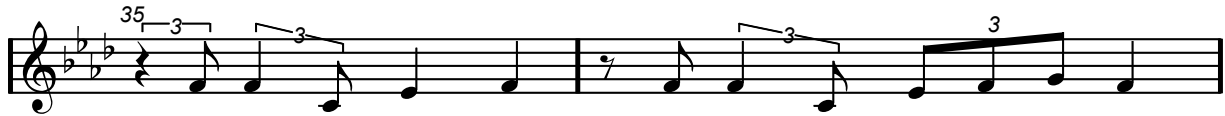

Marian

It's nice to see, how - e - ver grim, I'm

not the on - ly one who - talks to to to him.

Now lis - ten, daugh - ter, to one who's seen man - y wars.

To win a - gainst the odds is some - thing that's been done be - fore.

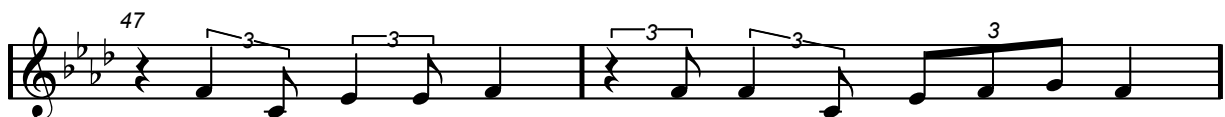

It starts with cour - age and a love of your friends.

You'll need a stra - te - gy to hold your course un - til the end.

You're the one now with the man - tle of the Rob - in Hood.

Most of all it takes a free and won - der - ful mind

to think be - yond and leave the dark - er ways we knew be - hind.
